

Dear Parents.

We would like to invite you to come along to the Family Links Nurturing group starting on Thursday January 11th at 1.30pm in the school nursery, and every Thursday afternoon until March 22nd.

The group is open to up to ten parents and is a chance for us to celebrate the fantastic job we are all doing as parents as well as looking at new ideas and strategies that we might like to try.

There is no pressure to try any of the activities, just suggestions, and we give you a full set of resources to back up everything we talk about.

The group is not for "bad" or "failing" parents. It is for every parent who deserves recognition and wants the best for their family, which is all of us.

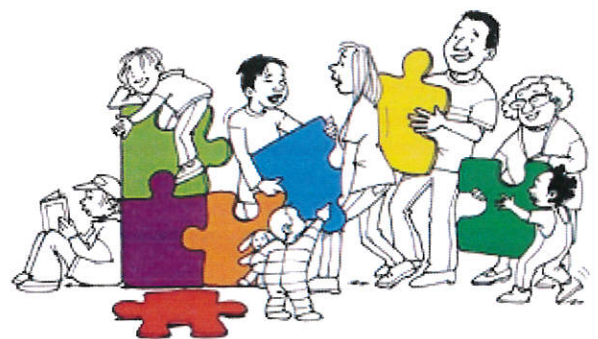

Please come and see either of us if you would like more information or just a chat, we have both attended the group as parents before becoming group leaders so we may know how you are feeling.
